

Focaccia 100% Italiana

The new 100% ITALIAN LINE born from a company with a long Italian history. Made with selected ingredients only of Italian origin. Our philosophy is to promote Made in Italy, and only with an integrated operation will this be possible. Italian suppliers, carefully selected raw materials, the experience of an Italian company with a long history behind it, are the winning ingredients for a PREMIUM LINE!

Made with 100% Italian extra virgin olive oil, with flour obtained from grains grown in Italy and with Sicilian salt: a few simple ingredients to make a typical Italian product such as focaccia.
